# Getting Started with Flipped Learning

Office of Instruction and Assessment

Spencer Willis | Assistant Professor of Practice

OIA

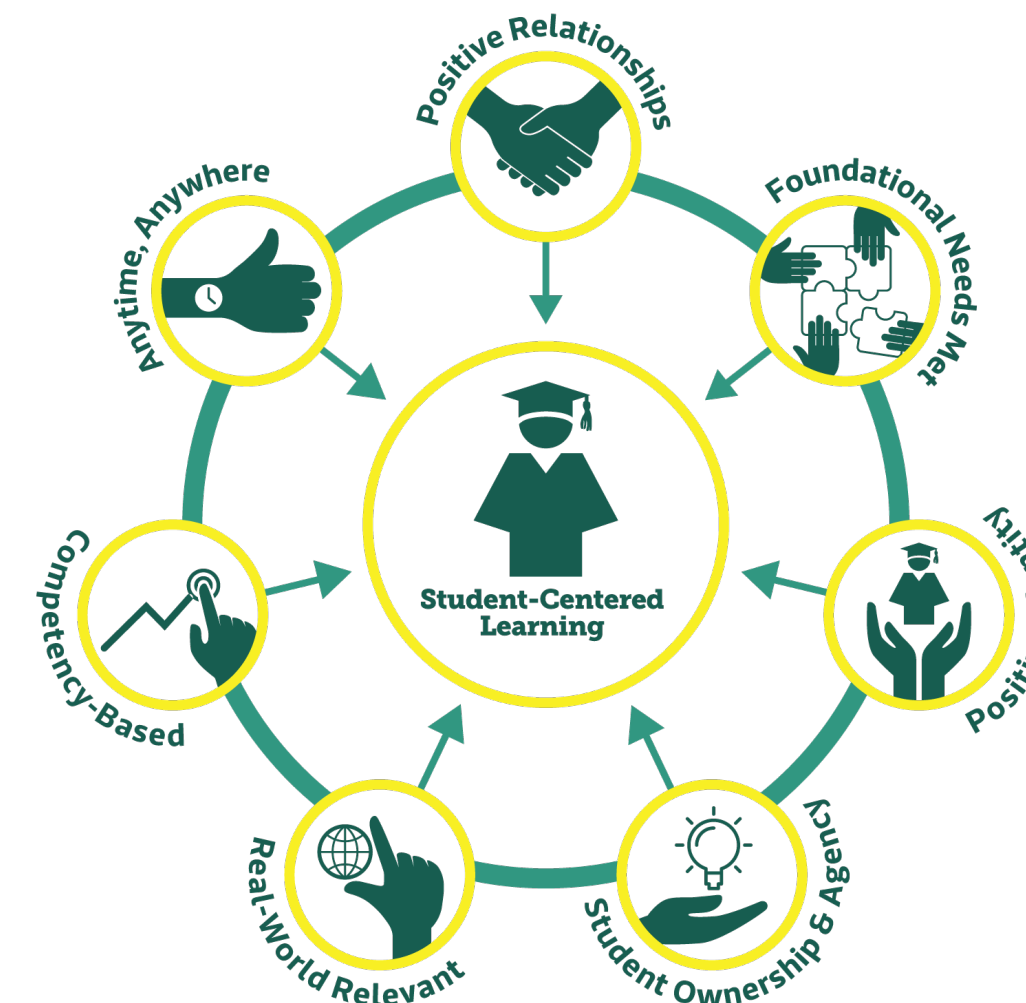

# What is Flipped Learning?

# What is Flipped Learning?

**Didactic materials reviewed by students before class. Application activities are completed during class.**

**Constructivist Approach**

**Student-Centered**

# What is Flipped Learning?

## Addresses Challenges

- Understand in class, but not at home
- Active learning
- Out of class group work

# What is Flipped Learning?

## Other Challenges

- Technical Resource Availability
- Learning Curve
- Students come to class prepared
